¹ For 2019, POC used instructional sites throughout southern California. For those sites, we have tracked any reports of Clery Act crimes in the specific areas that students utilize (classroom space, student parking areas and the path between the classroom and parking areas) for the specific dates and time when courses are being held. We do not have any Clery Act crimes to report for 2019 at any of those locations.

² Some Pacific Oaks students participated in a study abroad trip in Japan from December 3, 2019 through December 9, 2019. For that trip, PO rented hotel rooms for students. The hotel rooms and related spaces are deemed "non-campus property" for purposes of the Clery Act. For that trip, PO requested data from local law enforcement for Clery Act crimes; hate crimes; and arrests for liquor law violations, drug law violations and weapons offenses that may have taken place during the relevant time periods of the student experiences. PO either did not receive a response from law enforcement or received a response that no Clery Act crimes; hate crimes; or arrests for liquor law violations, drug

law violations and weapons offenses occurred during the relevant time period.
